# ACCA Introduction

---

**ACCA** is a British professional qualification which is awarded by

Association of Chartered Certified Accounts – UK

Choose to study accounting with ACCA and it will provide you with skills and knowledge relevant to any business, which means you are free to choose which type of accountancy role and organization you want to work for.

ACCA has made strategic partnership with Accountants and Auditors Association (AAA) which means you'll qualify as a UAE chartered accountant.

# ACCA Exam Structure – Fundamental

---

The ACCA exams are divided into two levels; Fundamentals and Professional.

The Fundamentals level is divided into two modules Knowledge and Skills.

The Knowledge module introduces you to the main areas of financial and management accounting. You will study the other technical accountancy areas after you study this. There are six subjects in the Skills module which cover the main technical areas that accountants are expected to know.

# ACCA Exam Structure – Fundamental

Paper No.	Paper	No. of Lectures
F1	Accountant in Business	10
F2	Management Accounting	10
F3	Financial Accounting	10
F4	Corporate and Business Law	10
F5	Performance Management	10
F6	Taxation	10
F7	Financial Reporting	10
F8	Audit and Assurance	10
F9	Financial Management	10

# ACCA Exam Structure – Professional

---

The Professional level is divided into two modules; Essentials and Options. Both of the modules at Professional level have been set at the same ability level as a Masters degree.

This level builds on the technical knowledge you will already have. It will also explore more advanced professional skills, techniques and values. These are required at a senior level by accountants working in an advisory or consultancy role.

All students have to pass the three papers in the Essentials module. The Options module contains four papers, but you only need to complete two.
